DEDICATION

The 1975 Echo is dedicated to those of our parents who have preceded us out of this world. Their loss is great but their ideas and ideals help ease the loss. They are gone but their presence will never be forgotten. It is our hope that as we live our lives, that our actions will be worthy of such remembrance.

Administration

first-period announcements over the P.A. system-
taking time to talk with students-conferences
with parents-conferences with teachers-confer-
ences with school officials-keeping the red tape
under control-answering steady streams of phone
calls-turning the wheels that keep the "machinery"
of school life going-and heading up those sad
morning teachers' meetings...

Graduating Class of 1975, as you begin a new phase of your life, we hope for the very best for each of you. It has been our goal at Palmersville to help you obtain the best life has to offer. We live in an age of uncertainty but also in an age of great opportunity. May each of you put your faith in God and be able to take advantage of each opportunity that knocks at your door.

faraway places and new ideas - brought right
into the classroom - "read the next fifty pages
for tomorrow" - conferences after class - a pop quiz
on the only day you didn't read the assign-
ment - teaching us something in spite of our-
selves - lecturing, prodding, & probing - pushing
back the boundaries
of our minds ---

I, Gale Ainley, will to Mark McAlpin my ability to do Geometry and keep my cool.

I, Becky Garner, will to the Junior Class the ability to have a great time in everything they do.

I, Sandy Webb, will to Julie Brann a bag of pretzels and a log chain to use when the pretzels . . . get you in trouble. Watch out Julie!

I, Larry Wilkinson, being of sound body and no mind, will to the '76 boys basketball team, my height and great jumping ability. Keep jumping men!

I, Deborah Ainley, will to Sherry Glisson and Gayle Osteen my ability to keep my head straight at all times. Watch out for those "bats" girls!

I, Debbie McClain, will to Susie Workman my ability to keep my cool on the bus and to keep my stories straight!

I, Gary Casey, will to Hal Bynum my ability to have an average of 4 points a year for 6 years of playing basketball.

I, Philip Perkins, will to Frank Shanklin my ability to drive the oldest and best car in school.

I, Debbie Wilkerson, will to Gayle Osteen my great ability as a basketball guard (on the boys team) and to stay sober on weekends.

I, Glen Harris, will to the entire Junior Class my ability to be everywhere except where I am supposed to be, also my complete control over the English Teacher and one dusty locker.

I, Sheila Stephenson, will to David Westbrook my ability to work at a summer job and my ability to do anything athletic, especially play tennis (move over, Bobby Riggs!)

I, Pat Hotovec, will to my lil' brother Mark the three crazy, fast-flying, brain-busting, heartbreaking school years ahead of him, PLUS my old green truck!

I, Kerry Stephens, will to Frank Shanklin my ability to mediate in History class. Watch out for A. B.!!!

I, Terry Gifford, will to my little brother, Mike Gifford, my ability to eat constantly (without ever gaining a pound?).

Class Wills

I, Laura Quinton, will t, the Jr. Ag. class: to Dwayne, my brain (and a Xmas kiss); to Frank, my shorthand degree; to Ronald, my ability to judge livestock; to Jerry, my weird sense of humor and my baby (personal joke); and to Steve, fields and fields of cockleburrs and a box of matches.

I, Garry Wilkinson, will to Frank Shanklin my great ability to keep cool and calm all the way through ball practice, AND never get tired of running.

I, Wendell Gatewood, will to all the Juniors my ability to sneak off and eat dinner downtown every day without getting caught.

I, Debbie Griffith, will to Susie Workman my ability to go bike riding without my bike falling apart.

I, Judy Stehl, will to Susie Workman my fabulous ability to drive in a wet field without getting stuck. (Good Luck!)

I, Pam Griffith, will to my cousin, Dwayne Edward Griffith, the ability to maintain full control of any situation and to keep my billfold under all circumstances.

I wonder why teachers complain about Seniors goofing off?

Seniors

ready to be turned loose upon the world-twelve
years of hard work-now where?-college entrance

joyous celebration and just a touch of nos-

our way!---

Junior Play 1973- 1974

On April 19, 1974 the Junior class, under the direction of Mrs. Martha High and Mrs. Mary Nell Pentecost presented a hillbilly play entitled:

'A Feudin' Over Yonder'

Sadly,
we
didn't
get
an

nomination.

I have enjoyed working with you Seniors this year. You are one of the better classes that we have had at Palmersville. I hope you are leaving here with the equipment you will need to become successful in whatever field you choose. I know you will remember History class for a long time. I just hope I have contributed to your becoming a very successful group of people.

Wishing the best for you
